

# VIVA LA VAGINA

IT'S VERY IMPORTANT TO START EXPLORING THE CAPABILITIES AND CHARACTERISTICS OF YOUR BODY. THE TASK OF EXPLAINING THIS TO PEOPLE WAS SET BY THE AUTHORS OF THE BOOK "VIVA LA VAGINA" NINA BROKHMANN AND ELLEN STOKKEN DAHL. AS YOU MAY HAVE NOTICED, THE NAME IS VERY INTRIGUING. THIS BOOK BELONGS TO THE SCIENCE FICTION GENRE (HEALTH AND MEDICINE).

AS YOU ALREADY UNDERSTOOD, THE MAIN CHARACTER IN THE BOOK IS A VAGINA. IN A STYLE REMINISCENT OF AN ENCYCLOPEDIA, "VIVA LA VAGINA" DELVES INTO THE CONCEALED CAPABILITIES OF AN ORGAN SELDOM OPENLY DISCUSSED—THE VAGINA, WITH THE AUTHORS, NINA BROKHMANN AND ELLEN STOKKEN DAHL, SETTING THE TASK OF ELUCIDATING THESE ASPECTS TO THE AUDIENCE. THIS APPROACH ALLOWS YOU TO EXPAND THE AUDIENCE OF READERS AND MAKE IT EASIER TO ASSIMILATE INFORMATION.

I REALLY LIKED THE PRESENTATION OF THE AUTHORS; THE TEXT IS READ EASILY AND NATURALLY, THEREBY REMAINING IN THE SUBCORTEX OF THE BRAIN. THERE ARE PRACTICALLY NO TERMS IN THE TEXT, WHICH MAKES IT EASIER TO UNDERSTAND. IF WE TALK ABOUT WHAT CAN BE INCRIMINATED, IT WOULD BE TO REMOVE 3 PAGES FROM THE BOOK ABOUT ANAL SEX, THIS WILL ALSO ALLOW US TO RECOMMEND THE BOOK FOR READING TO CHILDREN UNDER 16 YEARS OF AGE.

TO SUM UP, I CAN CONFIDENTLY SAY THAT THIS BOOK IS A GOOD READ FOR ALL GIRLS, AND POSSIBLY BOYS TOO. THE WAY THE INFORMATION IS PRESENTED MAKES IT EASY TO DIGEST. I FOUND THIS BOOK VERY USEFUL, BECAUSE IT IS ALWAYS USEFUL TO KNOW MORE ABOUT THE HUMAN BODY.
